

The positive music is vital to my family. My children, 8 and 6 years old, do not know that there are other stations out there that play songs that explicitly sing of subjects, which do not even peak their interest, yet. I want to keep them protected as long as they will allow me--at least during these adolescent years.

Not having commercials is a positive to the ministry of KLOVE. KLOVE's operator/owner is less tempted to air unhealthy subjects for profit.

Thank you,
